

# Teachers of Promise Fellowship

*A fellowship by women, for women, because the world needs more women LEADING education transformation across the country!*

## Executive Coaching

"Men are still [four times more likely](#) than women to serve in the most powerful position in education, and both women and men of color are still grossly underrepresented." Women deserve access! We center our fellowship time around learning, networking, and planning to produce outcomes for children.

## Action Project

Fellowship experiences should lead to outcomes. Our Teachers of Promise Fellows identify an area of opportunity in their education ecosystem and create an action plan to address the identified needs. This leads to tangible outcomes for students and a framework for navigating complex issues moving forward.

## Leadership Positioning

Women make up only 29% of [senior management](#) in North America. We're changing the narrative and finding opportunities for women to confidently lead learning environments (whether inside or outside the classroom) and improve learning outcomes for children. What could more leadership look like at your school? Invest today!
